**U**ntil now, most dentures look unnatural. Not anymore with our new Lifelike Denture System. In fact, no one will ever know you're even wearing these dentures unless you tell them.

New patented Lifelike Dentures represent a dramatic breakthrough in the construction and design of dentures. More importantly is what this means to denture wearers themselves in terms of confidence and self-esteem, as well as a new found pleasure in chewing. Don't let dentures put a damper on your life.

**LOOK BETTER.** The new lifelike dentures are designed to give you a unique smile that fits you exactly. It's a smile you'll be thrilled to share.

**CHEW BETTER.** Patented design for ease of chewing. Enjoy meals again with these patented dentures. People report chewing is easier than it ever was with conventional dentures. *Don't settle for dentures that look like dentures.*
